*Spring 2009*

Dear Members,

***This Saturday, April 25<sup>th</sup>, the 30<sup>th</sup> Annual Potluck Dinner***  
***6:00 PM at the Nobleboro Grange!***

## **Damariscotta Shapenote Singers**

**will share the history of this music as it traveled to New England with English settlers. This is not sweet, soothing church music, but energetic choral singing with haunting harmonies and eloquent poetry. Shapenote music is meant to be accessible and the singers sing for the joy of the singing.**

And bring your favorite dish to share,  
along with your place setting

See your friends and neighbors and talk about spring!

#### ***Fish Ladder Committee and NHS Join!***

Over the years the Damariscotta Mills Fish Ladder Restoration Committee has done outstanding work on the difficult, on-going job of restoring the fish ladder and has wonderful community involvement. Since the Committee is about preserving history – the ladder and the Mills – and was thinking about becoming an historical organization and 501(c)(3), NHS suggested we join together – and they said ‘yes.’ It is an excellent merger, as the organizations have qualities that match or complement & are fun.

#### ***One chance in 250 to win \$10,000 !***

NHS is the sponsor of a raffle to benefit the Fish Ladder Restoration and only 250 tickets will be sold and the winner gets \$10,000! Each ticket costs \$100, but join with friends and family to purchase a ticket together and share the winnings – or give the winnings back to the Fish Ladder. It will cost at least \$300,000 to complete this restoration. Drawing is Monday, May 25<sup>th</sup>, at 1:00 PM at the Fish House.

#### ***What’s Happening***

1. Basement walls of the Center were cleaned and painted by Henry Simmons and he will do the same in the vault, once the vault contents are removed. It’s a mess now, but will look great!
2. NHS website will be updated so it looks as great as the Fish Ladder’s website. Russ Williams will coordinate the project
3. With Nobleboro PTO, NHS is planning a new roadside sign for the School and Historical Center.
4. Working with the Jefferson and Newcastle Historical Societies to create a book, Damariscotta Lake 1700-present, for Arcadia Publishing.
5. New farm and building displays will be created by Resource Committee (Donna Howarth, Carolyn Hardman, Mary Sheldon) when basement is done.

### ***Annual Meeting Update***

Because we changed the NHS fiscal year to a calendar year, the election of officers for 2010 will happen at the November 2009 meeting. The 2009 officers are attached, as is the 2008 financial report.

In March Avis Ingalls' 3<sup>rd</sup> grade NCS class enjoyed a visit to the Museum to learn about Nobleboro's history from Carolyn Hardman & Mary Sheldon.

Carolyn Hardman recreated the classroom experience of a one-room schoolhouse with Cindy Sabina's 6<sup>th</sup> grade Nobleboro Central School class this January in our Historical Center. The students wrote with quill pens, did arithmetic and reading, enjoyed a cornbread break, and finished the morning with a tour of the Museum. The classroom was heated solely by the wonderful old wood stove.
